Mark O'Kelly, Director of Finance & Administration, Barrow Cadbury Trust

The Trust found **a good fit** with Triodos' stated commitment to only lend money to people and organisations making a positive cultural, social or environmental impact, as well as its **expertise in the charitable and social sector.**

Marie Magimay, Director of Finance, Carers UK

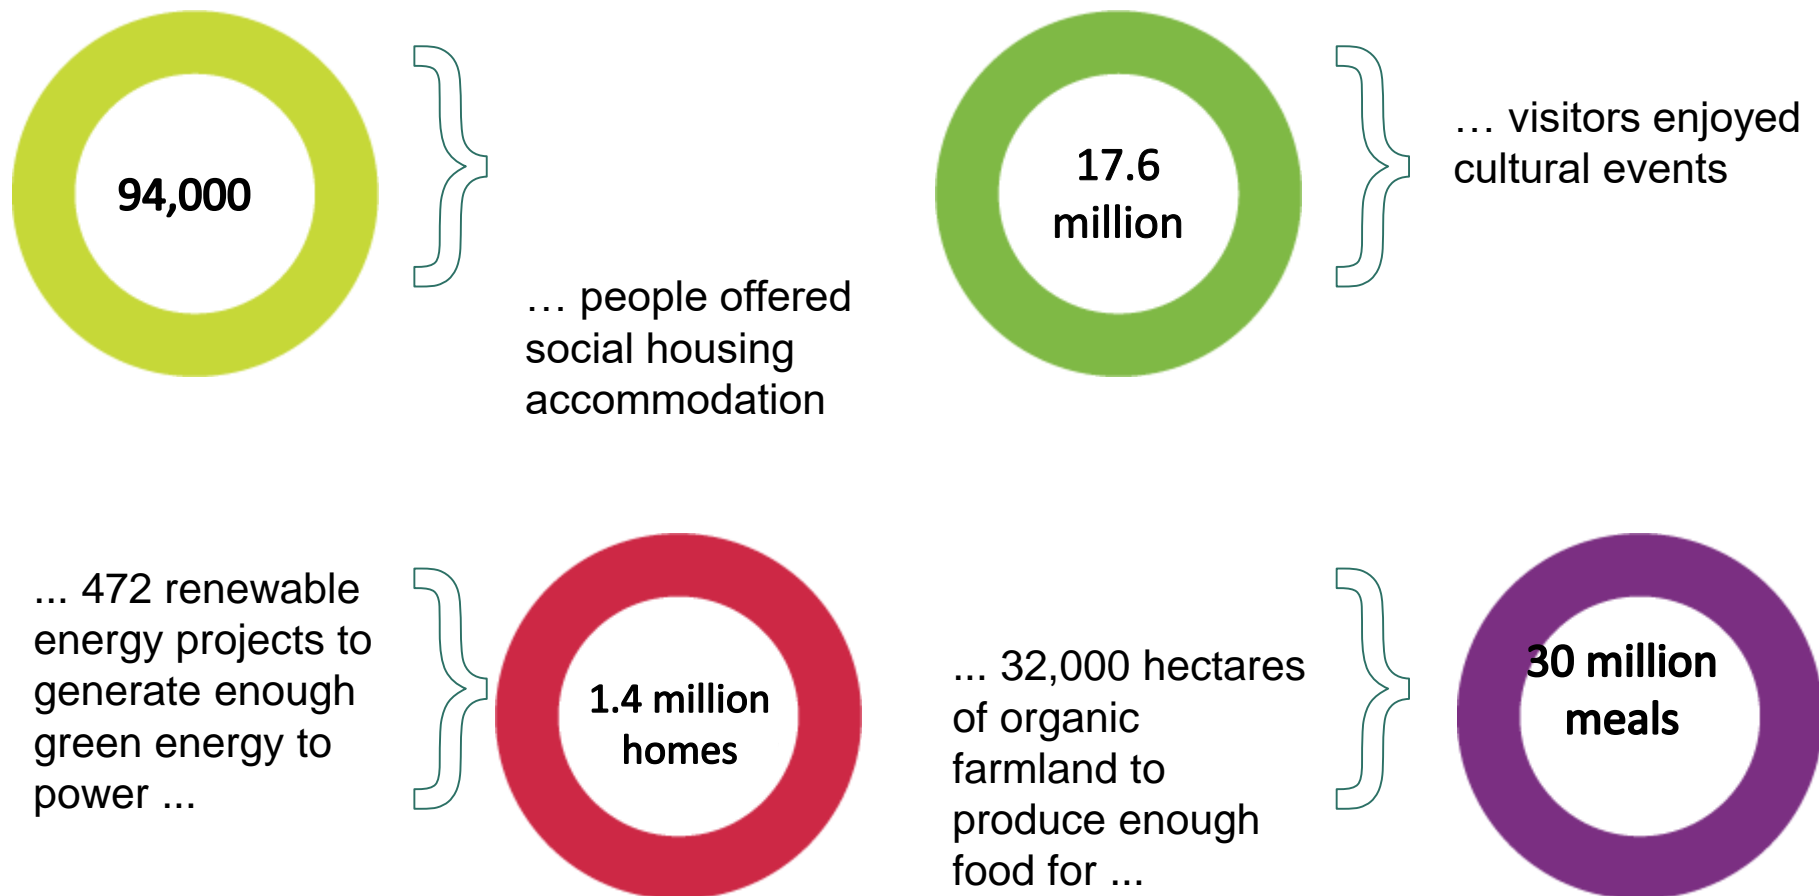

It's been so refreshing banking with Triodos. It's less about the organisations they don't invest in, but more about who they do. They finance many charities and social enterprises, and **really** understand us and the charity sector.
