

Introducing MyPension365.

Connecting your clients with their pensions.

With MyPension365, our new online self-service platform, your corporate pension clients now have the freedom to view and make changes to their own New Ireland pension schemes. Since it streamlines pension admin, making it simpler and faster, MyPension365 is also good news for you.

From compliance to investments, wealth advice and more, we're determined to make everything easier for brokers.

Because when we make it easier, you do too.
