# Enabling financial empowerment for everyone

Global Processing Services (GPS) is the PayTech Pioneer™ that has powered the European Fintech revolution by enabling mobile app-based features and real-time notifications, putting flexibility and control in the hands of the cardholder.

It has been uniquely positioned to support Fintechs, challenger banks, and e-wallet providers on their growth journey, from an agile proof-of-concept to a fully scaled global offering.

**GPS has been shortlisted for 7 awards, including Payment Technology Provider of the Year!**
